RECOGNIZING TROOPER II BRANDON WEST AS THE 2018 PRINCE WILLIAM CHAMBER OF COMMERCE BRONZE MEDAL OF VALOR RECIPIENT

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Mr. CONNOLLY. Mr. Speaker, I rise to commend 2018 Bronze Medal of Valor Trooper II Brandon D. West for his extraordinary service and superior dedication to public safety he displays on a daily basis.

For the past 32 years, the Prince William Chamber of Commerce has paid tribute to our police officers, firefighters, and emergency personnel for their extraordinary service. Each year, we gather to recognize the remarkable heroism and bravery above and beyond the line of duty exemplified by our public safety and law enforcement professionals.

In 2014, Trooper West received the Virginia State Police Superintendent's Award of Honor, the American Red Cross Lifesaving Award, and the Prince William Chamber of Commerce Silver Medal of Valor Award for his bravery, selflessness, and quick action in rescuing an individual and his dog before their disabled vehicle was engulfed in flames. These are just a few of the honors and awards bestowed to Trooper West in recognition of his dedication to public safety.

During a shift in 2017, Trooper West was stationary on Interstate 95 northbound at the Occoquan Bridge when he saw a Dodge pickup truck with a large trailer pull to the right shoulder of the bridge. Trooper West proceeded to the location. Fairfax Communications sent out a call for a safety service to respond and informed Trooper West that an additional request for rescue services had been dispatched. Upon his arrival to the scene, a passenger informed Trooper West that the driver was injured. Trooper West found the driver pale and in possible shock. Seeing a large amount of blood on the floorboard, Trooper West realized a broken drive shaft had come through the floor of the pickup, striking the driver and severing part of his leg. Trooper West applied a tourniquet to the driver's leg to slow the loss of blood. The tourniquet kept slipping, so Trooper West held the tourniquet in place until rescue services arrived and applied a second tourniquet. Ultimately, the driver was flown from the scene in good condition, thanks to Trooper West's rescue efforts.

In recognition of his act of valor, extraordinary dedication, and outstanding performance under unusually difficult circumstances, it is my honor to include in the RECORD Bronze Medal for Valor Award recipient, Trooper Brandon D. West of the Virginia State Police. Trooper West has exemplified the noble mission of all law-enforcement officers: to protect and serve in the line of duty.

Mr. Speaker, I ask my colleagues join me in recognizing Trooper II Brandon D. West and in

congratulating him on receiving the 2018 Prince William Chamber of Commerce Bronze Medal of Valor Award. The selfless act of heroism by Trooper West merits our highest praise. I thank Trooper West, as well as all Virginia State Police law enforcement professionals, for their dedication and commitment to the protection of our communities.

RECOGNIZING SRI VIJAYESHWARI DEVI

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Mr. KRISHNAMOORTHY. Mr. Speaker, today I rise to recognize Sri Vijayeshwari Devi, known to her many admirers as Amma Sri Karunamayi or "Amma," for her exemplary efforts in bringing peace and understanding not only to the people of India, but to all nations.

Amma was born in the Indian state of Andhra Pradesh. As a child, she was drawn to a spiritual existence, and spent most of her young adult life absorbed in prayer and meditation. After a period of intense reflection, Amma began a life of advocacy for the poor and disenfranchised, publicly speaking throughout India on the issues of nonviolence, equality, and respect for all people regardless of gender, religion, race or social status. Her teachings have led her across the globe, speaking to countless followers and performing humanitarian work wherever the need is greatest.

To realize her vision of a more just world, Amma and her organization offer a host of services to underserved men, women and children in the United States, India and Africa. These services include organizing and providing, among other things, free medical care, clean water, free education, free food, leprosy care, and wheelchair distribution. Amma believes in pursuing sustainable development that enable families trapped in poverty to give a better future to their children.

Amma is beloved by many as a Hindu saint, and has a large following in my district. Her humanitarian efforts have been recognized and celebrated by, among others, Congressman DANNY DAVIS, Congressman BILL FOSTER, Governor Pat Quinn, Cook County Board President Toni Preckwinkle, and President Jimmy Carter.

Mr. Speaker, I want to recognize Amma's selfless and compassionate devotion to all people, and her work to bring peace and understanding to our world.

IN SUPPORT OF H.R. 5197 ALTERNATIVES TO OPIOIDS (ALTO) IN THE EMERGENCY DEPARTMENT ACT

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 5197, the Alternatives to Opioids in the Emergency Department Act, or the ALTO Act.

Mr. Speaker, our nation faces an opioid crisis.

H.R. 5197, the ALTO Act, directs the Secretary of Health and Human Services to conduct a demonstration program to test alternative pain management protocols to limit the use of opioids in hospitals and emergency departments.

Opioids contributed to the deaths of more than 42,000 people in 2016, more than any year on official record.

Forty percent of all opioid overdose deaths involve a prescription opioid.

The economic burden of prescription opioid misuse in the United States is estimated to be \$78.5 billion dollars per year.

This figure includes costs stemming from health care, including addiction treatment, lost productivity, and criminal justice involvement.

Over 200 million opioid prescriptions are written in the United States each year, and 2 million Americans have the symptoms of substance use disorder.

Approximately 21 to 29 percent of patients prescribed opioids for chronic pain misuse them.

In Texas, 4 percent of the population reports using pain relievers for non-medical purposes.

Harris County, which contains my home district, has a pain medication misuse rate of 3.91 percent.

The time for action is now.

H.R. 5197, the ALTO Act, directs Health and Human Services to carry out a 3-year demonstration program which awards grants to hospitals and emergency departments to develop, implement, enhance, or study alternative pain management protocols and treatments that promote the appropriate limited use of opioids.

Emergency departments in several States, including in New Jersey and Colorado, have developed innovative programs to more widely utilize non-opioid pain treatments to reduce the use of opioids.

We must learn from these attempts and initiate a national program to limit the overuse of opioids in emergency settings.

However, it is important to realize that some groups, such as African Americans, are underprescribed pain management medications.

We must balance these new programs that work to reduce over-prescription with our continued efforts to ensure that medically necessary treatment be provided to people in need.

H.R. 5197, the ALTO Act, is especially important for my district and the greater Houston area.

Houston is home to many world-renowned trauma centers including Ben Taub and Memorial Hermann.

These centers have extensive emergency medical services and they, along with hospitals around the state and the nation, will benefit greatly from the support this bill provides.

Mr. Speaker, it is time for Congress to intervene before opioids claim the lives of more Americans.

The Alternatives to Opioids in the Emergency Department Act, or the ALTO Act is a necessary step towards stopping this opioid crisis.

I urge my colleagues to join me in supporting H.R. 5197, the ALTO Act, to prevent opioid addiction at the source and ensure that this crisis is stopped.

REMEMBERING LEE ADRIAN

HON. TONY CÁRDENAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Mr. CÁRDENAS. Mr. Speaker, I rise today to honor the life of one of my constituents, Lee Adrian.

Lee was an active member of our community, serving as Block Captain for the Strathern Neighborhood Watch in North Hollywood, where he worked tirelessly with law enforcement agencies, private organizations, and individual citizens to reduce crime and improve our community. He was also involved with the Community Police Advisory Board for the Los Angeles Police Department Foothill Division that supports the Neighborhood Watch.

A proud patriot, Lee was known for displaying an American flag outside his home for pedestrians to admire. He was also a veteran of the United States Air Force. His love for country translated to Lee's involvement with community advocates, faith leaders, and government officials to make our community a better place for everyone.

He and his wife worked relentlessly on the Whitsett Avenue "VINTAGE NORTH HOLLYWOOD" mural until its dedication in 2014, with a drought-resistant garden on both sides of the mural. The large mural was a community effort, which can now be enjoyed by motorists traveling on Whitsett Avenue and on the 170 Freeway, north of Sherman Way.

I hope Mr. Adrian's legacy is never forgotten, and that his passion of giving back to the community inspires others to follow his lead.

CONGRATULATING DANIEL JOSEPHSON ON WINNING THE 2018 CONSERVATIONIST OF THE YEAR

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Ms. STEFANIK. Mr. Speaker, I rise today to honor and congratulate Daniel Josephson on winning the 2018 Conservationist of the Year award.

The Adirondack Council's Conservationist of the Year award recognizes an individual for contributions to the Council's mission of ensuring ecological integrity and wild character of the Adirondack Park. This year, Daniel Josephson is recognized for his dedication to research and advocacy on behalf of lakes, ponds, and the Honnedaga brook trout in the Adirondack Park.

He used his strong research and knowledge on the impacts of acid rain on lakes and ponds to aid advocates in influencing Congress, resulting in legislation that would increase cuts to air pollution. Through his passion for communicating scientific knowledge to help conservationists promote policy change, Daniel played an instrumental role in conserving the beauty and ecological value of the Adirondacks.

On behalf of New York's 21st District, I want to congratulate Daniel on his well-deserved award, and thank him for his continued commitment to protecting the Adirondack Park, its natural resources, and its native species.

IN SUPPORT OF H.R. 5102 SUBSTANCE USE DISORDER WORKFORCE LOAN REPAYMENT ACT OF 2018

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, July 6, 2018

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 5102, the Substance Use Disorder Workforce Loan Repayment Act of 2018.

H.R. 5102 would establish a loan repayment program for mental health professionals practicing in areas with few mental health providers or with high death rates from overdose.

Mr. Speaker, this bill will amend the Public Health Service Act to create a loan repayment program for individuals who complete a period of service in a substance use disorder treatment job in a mental health professional shortage area and counties where the drug overdose death rate is higher than the national average.

This bill authorizes \$25 million per year over fiscal years 2019–2028.

H.R. 5102 will strengthen America's substance abuse treatment workforce and provide for greater access to care for patients who need it the most.

Mr. Speaker, the current trends of substance abuse in the U.S. are startling.

A Columbia University study found that over 40 million Americans age 12 and over meet the clinical criteria for drug addiction and abuse.

As substance abuse rates and death from overdose rates increase, studies project a shortage of 85,000 physicians in 2020—the impact of which will be the most devastating in rural communities.

In my home state of Texas, 10.1 people die per 100,000 in the population from drug overdoses.

In 2016, in Houston there were 364 drug overdose related deaths reported.

H.R. 5102 addresses these critical issues by providing an additional path for health care providers to practice in rural and underserved communities, ultimately giving greater access to care for those suffering from substance use disorder.

This piece of legislation will strengthen rural health care systems and will improve access to care for patients in these rural communities.

Mr. Speaker, the Substance Use Disorder Workforce Loan Repayment Act of 2018 will help build a well-equipped workforce to combat the current rise in substance use disorders.
